

**45<sup>th</sup> Annual Elmvale Maple Syrup Festival**  
**Saturday, April 17 2010**

**General Information**

*Over the past several years the **Elmvale Maple Syrup Festival** has grown in popularity attracting thousands of people, young and old, to the streets and buildings of Elmvale. Visitors and vendors alike enjoy the hospitality of our small Ontario town and help in the celebration of the annual maple syrup production.*

*The **Elmvale Maple Syrup Festival** strives to promote maple syrup products, local arts and crafts as well as local merchants, service organizations, schools and so on. To achieve this, the organizing committee reviews each and every vendor application to ensure acceptability within the guidelines set forth by this committee.*

*Booth locations are assigned as each returned application is received and reviewed by committee members. Location assignments are made on a "first in" "first served" basis and dependant on the type of product being offered for sale. We will of course always attempt not to put vendors selling similar products beside each other.*

*Booth rental fees are for your location only. We do not provide you with tables, chairs, or any other pieces of equipment. Please bring all items that you will need to operate your booth with you.*

*Street vendors may start to set-up in their assigned locations after the streets are officially closed at 7:00 am. Arena vendors may set up inside the arena on Friday evening should they wish to do so. All vendors are encouraged to be fully operational by 8:30 am on the Saturday when the festival officially opens to visitors.*

*Street vendors will be assigned a booth location in one of the following areas; Queens Street West, Maria Street, Fairgrounds or Community Parking Lot. Outside vendors must be off the main streets prior to 5:00 pm as this is when the streets have to reopen to local vehicular traffic.*

*Please remember to bring your **payment receipt / booth confirmation #** with you on festival day. This will aid festival staff on duty to direct you to your booth set up location and ensure all vendors get to their assigned locations with out problems.*

*The official "**Pancake House**" is located in the Elmvale Community Hall at 35 Queen Street West. Pancakes with maple syrup and sausages are served all day long for a nominal fee.*

*The **Elmvale Maple Syrup Festival** will proceed as planned regardless of the weather so please come prepared for any situation.*

*The **Elmvale Maple Syrup Festival** is run entirely by volunteer organizations working together to promote and support the community of Elmvale and the surrounding districts. Let's all work together to make this day successful, safe and enjoyable for everyone.*

*Thank you for your support;  
The **Elmvale and District Maple Syrup Festival Organizing Committee.***
